To place a Station-to-Station call ask for Long Distance, then give the operator the number you wish to call, or if not known, the name or address under which the telephone is listed.

Use Station-to-Station Service
—it is Quicker and Cheaper.

ON a five minute conversation by Long Distance 32 miles or less, you may save from 43% to 60% by using Station-to-Station instead of Person-to-Person Service.

The initial talking period on short haul Station-to-Station talks is 5 minutes, and on Person-to-Person calls, 3 minutes, with an extra charge for additional time used.

Why not take advantage of the longer initial talking period and lower rate by using Station-to-Station service whenever possible on short haul talks?

4. When on an Appointment call the called party is not at the station at the appointment has been made. An exception will be made however, when a delay to connect the call is due to delay in establishing the long distance circuit or delay in connecting the called or calling telephone other than delay due to the calling telephone not answering, which prevents completion of the call within 30 minutes after the appointed time, provided the call is not cancelled within that time.
5. When a Messenger call is not completed after reasonable efforts have been made to notify the person called to come to the telephone.

The Report Charge does not apply to reports that the called telephone is "Busy," "does not answer," or is "out of order," "no telephone listed," "no such number," "discontinued" and "telephone temporarily disconnected," except when the called telephone is connected with a private exchange.

In no case, where a call has not been completed, shall a Report Charge be made in addition to the minimum charge, provided the call is completed before expiration of the time in which it is filed.

On a Collect call the Report Charge will be charged AGAINST THE CALLING STATION unless a reversal is specifically requested by the calling party and accepted by the called telephone.

WILL "ANYONE" DO?

STATION-TO-STATION Long Distance Service is about 20 per cent. cheaper than the PERSON-TO-PERSON! It pays to tell the operator, where possible, that "ANYONE AT THAT TELEPHONE WILL DO."

To Secure Repeat Orders

Re-ordering goods by Long Distance is one of the most popular uses made of it.

One enterprising Ontario merchant says "We distribute our product to a considerable number of surrounding towns. To increase sales we send a circular to all our customers requesting them to use Long Distance when re-ordering. The plan has worked very well."

Such orders come in on Station-to-Station calls, which makes it inexpensive. Try it.

There can be not the slightest doubt. It is nature's greatest endowment to the food of mankind. For children nothing can equal it. And just as milk is the finest food you can buy, so "Certainteed Milk" is the finest milk you could possibly obtain.
